

CURRICULUM VITAE
DONALD (DJ) J. MAY, M.D.
2777 Mile High Stadium Circle
Denver, CO 80211
303-825-8822 (office)
303-825-4022 (fax)

EDUCATION:

Colorado School of Mines, 1980-1981

University of Colorado - Boulder, 1981-1983

University of Denver, 1983-1985

Degree - Bachelor of Science

Major - Chemistry

Minors - Physics, Biology

POST-DOCTORAL TRAINING: University of Denver, 1985-1987

Degree - Master of Science, Physical Chemistry

University of Colorado School of Medicine, 1987-1991

Degree - Medical Doctor

University of Colorado Health Sciences Center, Surgical
Intern, Denver, Colorado, 1991-1992

University of Colorado Health Sciences Center, Surgical
Resident, Denver, Colorado, 1992-1993

University of Colorado Health Sciences Center, Urology
Resident, Denver, Colorado 1994-1998

WORK HISTORY:

The Urology Center of Colorado, P.C., 10/06 to present

Western Urologic Associates, P.C., 8/98 to 10/06

University of Colorado Health Sciences Center, Chief
Resident, 11/94 - 7/98

Colorado Permanente, Urgent Care/Emergency
Physician, 8/93-10/94

Various employment to fund education (available on
request) 6/80 - 8/87

Emergency Medical Technician/Firefighter, 1/80-7/83

MEDICAL LICENSE:

Colorado, 5/94

AWARDS & HONORS:

Undergraduate:

Graduated with Honors in Chemistry

Graduated with Departmental Honors, Chemistry

Hornbeck Scholar, 1984 and 1985

Broomfield Emergency Ambulance Scholarship, 1982

Colorado Expository Writing Program Award, 1983

Graduate:

Colorado Graduate Fellow, 1985-1986

Teaching Assistantship, 1985-1986

Research Assistantship, 1986-1987

Medical:

Presentation of meritorious research, Western Society for
Clinical Investigation, 1991

Campbell Scholarship, 1988

Cheley Scholarship, 1988-89, 1990-91

McClymonds Scholarship, 1988-89, 1989-90, 1990-91

Medical Center Student Scholarship, 1988

Postgraduate:

Urology Resident Research Award, 1994

Journal of Diagnostic and Medical Ultrasonography

Article selected as second in top ten articles of 1996.

Pfizer Academic Achievement Award, 1997

PROFESSIONAL ORGANIZATIONS:

American Urologic Association

South Central Section of the American Urologic Society

Society of Laparoscopic Surgeons

International Society of Clinical Densitometry

HOSPITAL AFFILIATIONS:

Exempla Lutheran Medical Center/St. Joseph

Centura St. Anthony Central and North Hospitals
Porter/Craig /Swedish

PUBLICATIONS:

1. Coombe R.D., David S.J., Henshaw, T.L., and May D.J., Generation and Quenching of $N_2(A^1\mathbf{3}_u^+)$ in the Photodissociation of CIN_3 . *Chemical Physics Letters*; October 1985; 20(4,5):433-436

PRESENTATIONS:

1. Collisional Dissociation of Halogen Azides. Undergraduate Honors Seminar. Department of Chemistry, University of Denver, Denver, Colorado, May, 1985.

2. Chemistry of Ground State and Excited State Carbon Atoms. Departmental Seminar Department of Chemistry, University of Denver. Denver, Colorado. October, 1986.

3. Energetic Reactions of Carbon Atoms. Masters Thesis Presentation and Defense Department of Natural Sciences, University of Denver. Denver, Colorado, August, 1987.

4. Determination of the Aluminum-Transferrin Binding Constants Using Difference Ultra-Violet Absorption. Student Research Forum. University of Colorado Health Sciences Center, Denver, Colorado. February, 1991.

5. Determination of the Aluminum-Transferring Binding Constants Using Difference Ultra-Violet Absorption Spectrophotometry. western Society for Clinical Investigation. Subspecialty Meeting - Hematology. Carmel, California. February, 1991.

6. Benign Prostatic Hyperplasia and the History of TURP. Division of Urology Grand Rounds. University of Colorado Health Sciences Center, Denver, Colorado. November, 1993.

7. Lower Pole Calculi - Shock Wave Lithotripsy or Percutaneous Nephrolithotomy? American Urologic Association, Annual Meeting. Las Vegas, Nevada. May, 1994.

8. Management of Female Stress Urinary Incontinence. Division of Urology Grand Rounds. University of Colorado Health Sciences Center, Denver, Colorado. September, 1994.

9. Cost Effectiveness of Shock Wave Lithotripsy and Percutaneous Nephrolithotomy for Lower Pole Calculi. International Urology Preceptorship. Denver, Colorado. March, 1995.

10. Large Cell Calcifying Sertoli Cell Tumor - A Case Report. Meeting of the Rocky Mountain Urologic Society. July, 1995.

11. Cost Effectiveness of Shock Wave Lithotripsy and Percutaneous Nephrolithotomy for Lower Pole Calculi. International Urology Preceptorship. Denver, Colorado, October, 1995.

12. Prevalence of Metabolic Stone Disease in Patients Undergoing Shock Wave Lithotripsy. International Meeting on Urolithiasis. Dallas, Texas, September, 1996.

13. Prevalence of Metabolic Stone Disease in Patients Undergoing Shock Wave Lithotripsy. South Central Section of the American Urologic Association. Vail, Colorado, September, 1996.

14. Detection of Telomerase Activity In Immortal Prostate Cancer Cell Lines in Peripheral Blood Samples. South Central Section of the American Urologic Association. Vail, Colorado, September, 1996.

15. Cost Effectiveness of Shock Wave Lithotripsy and Percutaneous Nephrolithotomy for Lower Pole Calculi. International Urology Preceptorship. Denver, Colorado, November, 1996.

16. Prevalence of Metabolic Stone Disease in Patients Undergoing Shock Wave Lithotripsy. International Urology Preceptorship. Denver, Colorado, March, 1997.

17. Relationship Between Human Forniceal Anatomy and Clinical Sites of Kidney Stone Formation. R.O.C.K. Society Annual Meeting. New Orleans, Louisiana, April, 1997.

18. Complicated Urinary Tract Infections. Division of Urology Grand Rounds, University of Colorado Health Sciences Center, July, 1997.

19. Prostate Cancer Detection By Analysis of Ejaculate Specimens for Telomerase Activity Using the TRAP Assay. Podium presentation. South Central Section of the American Urologic Association. South Hampton, Bermuda, November, 1997.

20. Urologic Emergencies. Rocky Mt. Chapter of S.U.N.A. Denver, Colorado, March, 1999.

RESEARCH FUNDING:

Colorado Cancer League - Application of the TRAP Assay in Prostate Cancer Screening. June 1996 - May 1997.
